KPL Group has extensive experience in managing all aspects of supply chain. We have done custom clearance for a number of clients in Garoowe and Berbera . We also clear goods in Garoowe and Hargeisa international airports. We have facilitated tax exempt papers for various non-governmental organizations. We have established strong working relationship with the customs authorities, port authorities in Boosaaso, Berbera, and Moqdisho.

We have managed transportation of goods in the country for our clients and delivered to their final destinations. We have ensured that the goods cleared in ports and airports reach their final destinations safely and on time. KPL Group believes logistics is all about timely delivery. Thus, our services are tailored to satisfy our clients. Our presence in Puntland and other federal member states gives our clients who have operations in both Somaliland and other parts of Somalia to deal with one company with same level of performance. We have maintained working relationship with all the administrative regions of Somalia - Puntland and Southern states.
